## Management Commentary

"Emerson met sales commitments and exceeded expectations for profitability as our global teams continue to execute well," said Emerson President and Chief Executive Officer Lal Karsanbhai. "We delivered a fourth consecutive quarter of strong underlying orders growth, and we are experiencing robust demand for our automation technology, led by Software & Systems, with strength in North America, India and the Middle East & Africa."

Karsanbhai continued, "Emerson is accelerating innovation, introducing new products and delivering on the critical programs we highlighted at our 2025 investor conference. These releases advance our capabilities in software-defined automation and further enhance our leadership position in high-growth verticals."

EMERSON AND SUBSIDIARIES  
SEGMENT SALES AND EARNINGS  
(DOLLARS IN MILLIONS, UNAUDITED)

The following tables show results for the Company's segments on an adjusted segment EBITA basis and are intended to supplement the Company's results of operations, including its segment earnings which are defined as earnings before interest and taxes. The Company defines adjusted segment and total segment EBITA as segment earnings excluding intangibles amortization expense, and restructuring and related expense. Adjusted segment and total segment EBITA, and adjusted segment and total segment EBITA margin are measures used by management and may be useful for investors to evaluate the Company's segments' operational performance.

EMERSON AND SUBSIDIARIES  
ADJUSTED CORPORATE AND OTHER SUPPLEMENTAL  
(DOLLARS IN MILLIONS, UNAUDITED)

The following table shows the Company's stock compensation and corporate and other expenses on an adjusted basis. The Company's definition of adjusted stock compensation excludes integration-related stock compensation expense. The Company's definition of adjusted corporate and other excludes corporate restructuring and related costs, first year purchase accounting related items and transaction fees, and certain gains, losses or impairments. This metric is useful for reconciling from total adjusted segment EBITA to the Company's consolidated adjusted EBITA.

EMERSON AND SUBSIDIARIES  
ADJUSTED EBITA & EPS SUPPLEMENTAL  
(AMOUNTS IN MILLIONS EXCEPT PER SHARE, UNAUDITED)

The following tables, which show results on an adjusted EBITA basis and diluted earnings per share on an adjusted basis, are intended to supplement the Company's discussion of its results of operations herein. The Company defines adjusted EBITA as earnings excluding interest expense, net, income taxes, intangibles amortization expense, restructuring expense, first year purchase accounting related items and transaction fees, and certain gains, losses or impairments. Adjusted earnings per share excludes intangibles amortization expense, restructuring expense, first year purchase accounting related items and transaction-related costs, discrete taxes, and certain gains, losses or impairments. Adjusted EBITA, adjusted EBITA margin, and adjusted earnings per share are measures used by management and may be useful for investors to evaluate the Company's operational performance.
