DUBLIN – Intelligent power management company Eaton Corporation plc (NYSE:ETN) today announced that fourth quarter 2025 earnings per share were \$2.91, a fourth quarter record. Excluding charges of \$0.25 per share related to intangible amortization, \$0.10 per share related to acquisitions and divestitures, and \$0.07 per share related to a multi-year restructuring program, adjusted earnings per share of \$3.33 were a record.

Sales in the quarter were \$7.1 billion, a record and up 13% from the fourth quarter of 2024. The sales increase consisted of 9% growth in organic sales, 2% growth from acquisitions and 2% growth from foreign exchange.

Segment margins were 24.9%, a fourth quarter record and a 20-basis point improvement over the fourth quarter of 2024.

Operating cash flow was \$2.0 billion and free cash flow was \$1.6 billion, both quarterly records and up 23% and 17%, respectively, over the same period in 2024.

Paulo Ruiz, Eaton chief executive officer, said, “In the fourth quarter, we continued to convert strong demand into accelerated orders and organic growth. Electrical and Aerospace were standout drivers, contributing to sustained backlog growth and a book-to-bill ratio of 1.1.”

For the full year 2025, sales were a record \$27.4 billion, up 10% from 2024. The sales increase consisted of 8% growth in organic sales and 2% growth from acquisitions.

Segment margins of 24.5% for 2025 were a record and at the high end of the latest guidance range. This represents a 50-basis point improvement over the full year 2024.

Earnings per share for 2025 were a record \$10.45, up 10% over 2024. Excluding charges of \$0.99 per share related to intangible amortization, \$0.37 per share related to acquisitions and divestitures, and \$0.26 per share related to a multi-year restructuring program, adjusted earnings per share were a record \$12.07, up 12% over 2024.

Operating cash flow for 2025 was \$4.5 billion and free cash flow was \$3.6 billion, both records and up 3% and 1%, respectively, over the same period in 2024.

On full year results, Ruiz continued, “Our solid performance in 2025 was driven by our Lead, Invest and Execute for Growth strategy, including key investments that expanded our capacity and capabilities. Our growing and diversified backlog provides us with extended visibility, enabling predictable financial performance and disciplined capital planning. As we enter 2026, we are confident that this momentum positions us to capitalize on the significant opportunities ahead—from digitalization and AI to reindustrialization, infrastructure spending

and growth in the aerospace markets—while continuing progress toward our 2030 targets and delivering value for our shareholders.”

NOTES TO THE FOURTH QUARTER 2025 EARNINGS RELEASE

Amounts are in millions of dollars unless indicated otherwise (per share data assume dilution). Columns and rows may not add and the sum of components may not equal total amounts reported due to rounding.

Note 1. NON-GAAP FINANCIAL INFORMATION

This earnings release includes certain non-GAAP financial measures. These financial measures include adjusted earnings, adjusted earnings per ordinary share, and free cash flow, each of which differs from the most directly comparable measure calculated in accordance with generally accepted accounting principles (GAAP). A reconciliation of each of these financial measures to the most directly comparable GAAP measure is included in this earnings release. Management believes that these financial measures are useful to investors because they provide additional meaningful financial information that should be considered when assessing our business performance and trends, and they allow investors to more easily compare Eaton Corporation plc's (Eaton or the Company) financial performance period to period. Management uses this information in monitoring and evaluating the on-going performance of Eaton and each business segment.

The Company's first quarter and full year net income per ordinary share and adjusted earnings per ordinary share guidance for 2026 is as follows:

	Three months ended March 31, 2026	Year ended December 31, 2026

Note 2. ACQUISITIONS AND DIVESTITURE OF BUSINESSES

Acquisition of Exertherm

On May 20, 2024, Eaton acquired Exertherm, a U.K.-based provider of thermal monitoring solutions for electrical equipment. Exertherm is reported within the Electrical Americas business segment.

Acquisition of a 49% stake in NordicEPOD AS

On May 31, 2024, Eaton acquired a 49 percent stake in NordicEPOD AS, which designs and assembles standardized power modules for data centers in the Nordic region. Eaton accounts for this investment on the equity method of accounting and it is reported within the Electrical Global business segment.

Acquisition of Fibrebond Corporation

On April 1, 2025, Eaton acquired Fibrebond Corporation (Fibrebond) for \$1.43 billion, net of cash acquired. Fibrebond is a U.S. based designer and builder of pre-integrated modular power enclosures for data center, industrial, utility and communications customers. Fibrebond had sales of approximately \$378 million for the twelve months ended February 28, 2025, and is reported within the Electrical Americas business segment.

As part of the acquisition, Eaton assumed \$240 million of employee transaction and retention awards. Awards vest in six equal annual installments starting in the second quarter of 2025, subject to continued employment with Eaton. Forfeited employee awards are paid to former Fibrebond shareholders annually. Eaton recognizes compensation expense for the awards over the requisite service period and any employee forfeitures owed to former Fibrebond shareholders are expensed immediately in Other expense (income) - net. During the fourth quarter of 2025, compensation expense of \$8 million, \$2 million and \$8 million were included in Costs of products sold, Selling and administrative expense, and Other expense (income) - net, respectively, on the Consolidated Statements of Income. During 2025, compensation expense of \$51 million, \$16 million and \$15 million were included in Costs of products sold, Selling and administrative expense, and Other expense (income) - net, respectively, on the Consolidated Statements of Income.

Acquisition of Resilient Power Systems Inc.

On August 6, 2025, Eaton acquired Resilient Power Systems Inc. (Resilient), a leading North American developer and manufacturer of innovative energy solutions, including solid-state transformer-based technology. Resilient was acquired for \$86 million, including \$55 million of cash paid at closing and an initial estimate of \$31 million for the fair value of contingent future consideration based on 2025 through 2028 revenue performance and achievement of technology-based milestones. The fair value of contingent consideration liabilities is estimated by discounting contingent payments expected to be made, and may increase or decrease based on changes in milestone achievements and discount rates, with a maximum possible undiscounted value of \$45 million. Resilient is reported within the Electrical Americas business segment.

As part of the acquisition, Eaton assumed employee incentives with a maximum payout of \$50 million contingent upon achievement of the same revenue performance and technology-based milestones, as well as continued employment with Eaton. The incentives will be paid over three years, starting in 2026 and concluding in 2028. As of December 31, 2025, the Company expects to pay \$38 million of employee incentives based on the estimated probability of the milestones being achieved. Compensation expense will be recognized over the requisite service period. Compensation expense of \$6 million and \$10 million in the three months and year ended December 31, 2025, respectively, was included in Selling and administrative expense on the Consolidated Statements of Income.

Agreement to Acquire Boyd Thermal

On November 2, 2025, Eaton signed an agreement to acquire Boyd Thermal, a U.S. based global leader in thermal components, systems, and ruggedized solutions for data center, aerospace and other end-markets. Boyd Thermal employs more than 5,000 people with manufacturing sites across North America, Asia, and Europe. Under the terms of the agreement, Eaton will pay \$9.5 billion for Boyd Thermal. The transaction is subject to customary closing conditions and regulatory approvals and is expected to close in the second quarter of 2026.

Acquisition of Ultra PCS Limited

On January 23, 2026, Eaton acquired Ultra PCS Limited (Ultra PCS) for \$1.55 billion, net of cash acquired. Ultra PCS is headquartered in the U.K. with operations in the U.K. and the U.S. Ultra PCS produces electronic controls, sensing, stores ejection and data processing solutions, enabling mission success for global aerospace customers in the air and on the ground. Ultra PCS will be reported within the Aerospace business segment.

Spin-off of Mobility business

On January 26, 2026, Eaton announced its intention to pursue a spin-off of its Mobility business, which consists of its Vehicle and eMobility operating segments, into an independent, publicly traded company. Eaton expects to complete the anticipated spin-off by the end of the first quarter of 2027, subject to customary legal and regulatory requirements and approvals, including final approval of the Company's Board of Directors and effectiveness of a Form 10 registration statement filed with the Securities and Exchange Commission. The planned spin-off is expected to be completed in a manner that is tax-free to Eaton ordinary shareholders for U.S. federal income tax purposes.

Note 3. ACQUISITION AND DIVESTITURE CHARGES

Eaton incurs integration charges and transaction costs to acquire and integrate businesses, and transaction, separation and other costs to divest and exit businesses. Eaton also recognizes gains and losses on the sale of businesses. A summary of these Corporate items is as follows:

	Three months ended December 31		Year ended December 31	
	2025	2024	2025	2024
(In millions except for per share data)				
Acquisition integration, divestiture charges and transaction costs	\$ 48	\$ 13	\$ 183	\$ 36

Per ordinary share - diluted	\$ 0.10	\$ 0.02	\$ 0.37	\$ 0.06

Acquisition integration, divestiture charges and transaction costs in 2025 are primarily related to the following:

- The acquisitions of Fibrebond Corporation, Resilient Power Systems Inc., Ultra PCS Limited, and Exertherm, the expected acquisition of Boyd Thermal, transactions completed prior to 2023, and other charges to acquire and exit businesses.
- Employee transaction and retention award compensation expense related to the acquisition of Fibrebond of \$18 million and \$82 million in the three months and year ended December 31, 2025, respectively.
- Employee incentive compensation expense related to the acquisition of Resilient of \$6 million and \$10 million in the three months and year ended December 31, 2025, respectively.

Acquisition integration, divestiture charges and transaction costs in 2024 are primarily related to acquisitions completed prior to 2023, and include other charges and income to acquire and exit businesses, and the reduction in fair value of contingent future consideration from the Green Motion SA acquisition.

Charges in 2025 and 2024 were included in Cost of products sold, Selling and administrative expense, Research and development expense, or Other expense (income) - net. In Business Segment Information, the charges were included in Other expense - net.

Note 4. RESTRUCTURING CHARGES

During the first quarter of 2024, Eaton implemented a multi-year restructuring program to accelerate opportunities to optimize its operations and global support structure. These actions will better align the Company's functions to support anticipated growth and drive greater effectiveness throughout the Company. Since the inception of the program, the Company has incurred charges of \$335 million. This restructuring program is expected to be completed in 2026 and is expected to incur additional expenses related to workforce reductions of \$102 million and plant closing and other costs of \$38 million, resulting in total estimated charges of \$475 million for the entire program. The Company expects mature year benefits of \$375 million when the multi-year program is fully implemented.
