Forward-looking statements

This infographic contains "forward-looking statements," which are based on our current expectations, but they involve a number of risks and uncertainties that could cause actual results to differ materially from those anticipated. These risks and uncertainties include (but are not limited to): our ability to maintain our brand value and reputation; our highly competitive market and increasing competition; our ability to anticipate consumer preferences and successfully develop and introduce new, innovative and differentiated products; the acceptability of our products to guests; increasing costs and decreasing selling prices; our ability to accurately forecast guest demand for our products; our ability to expand in light of our limited operating experience and limited brand recognition in new international markets and new product categories; our ability to attract, manage, and retain highly qualified individuals; our ability to manage our growth and the increased complexity of our business effectively; changes in consumer shopping preferences and shifts in distribution channels; our leasing of retail and distribution space; seasonality; changes to U.S. tariff and customs policy, including the elimination of the de minimis exemption; macroeconomic volatility, inflationary pressures, and shifts in consumer sentiment; global political and economic instability, including geopolitical conflicts and political polarization; trade restrictions, tariffs, and customs changes; changes in tax laws, transfer pricing, or unanticipated tax liabilities; our ability to comply with trade and other regulations; fluctuations in foreign currency exchange rates; global or regional public health crises; disruptions of our supply chain; our reliance on a relatively small number of vendors to supply and manufacture a significant portion of our products; suppliers or manufacturers not complying with our Vendor Code of Ethics or applicable laws; fluctuating costs of raw materials and the cost of producing our products; our ability to deliver our products to the market and to meet guest expectations if we have problems with our distribution system; our ability to safeguard against security breaches with respect to our technology systems; our compliance with privacy and data protection laws; any material disruption of our technology systems; our ability to have technology-based systems for our e-commerce business function effectively; imitation by our competitors; our ability to protect our intellectual property rights; conflicting trademarks and patents and the prevention of sale of certain products; actions of stockholders, activists, or shifting consumer sentiment; our exposure to various types of litigation; climate change and related pressures; heightened scrutiny and legal risks from competing pressures regarding ESG; and other risks and uncertainties included in our most recent reports on Form 10-K and Form 10-Q filed with the SEC.

Non-GAAP measures These metrics are non-GAAP financial measures and are not intended to be considered in isolation or as a substitute to the financial information prepared and presented in accordance with GAAP. Reconciliations of these non-GAAP financial measures to their most directly comparable GAAP measures follow:

Net revenue change excluding the 53rd week

¹Our fiscal year ends on the Sunday closest to January 31st of the following year, typically resulting in a 52-week year, but occasionally giving rise to an additional week, resulting in a 53rd week. Fiscal 2025 was a 52-week year while 2024 was a 53rd week. The changes in revenue show the change for 2025 compared to the corresponding period in 2024.

	Q4 2025 Revenue							Fiscal 2025 Revenue
	Women's	Men's	Accessories and Other	Store	Digital	Americas	International	Total
GAAP revenue change	2%	(2)%	~%	(5)%	5%	(4)%	17%	1%
Impact of 53rd week	5	5	4	5	4	4	7	5
Change excluding the 53rd week (non-GAAP)	7%	3%	4%	~%	9%	~%	24%	6%

Constant dollar changes in comparable sales

²Due to the 53rd week in 2024, comparable sales are calculated on a one-week shifted basis such that the 13 and 52 weeks ended February 1, 2026 are compared to the 13 and 52 weeks ended February 2, 2025 rather than January 26, 2025.

	Q4 2025 Comparable Sales	Fiscal 2025 Comparable Sales
Change (GAAP)	3%	2%
Foreign Exchange	(1)	~
Change in constant dollars (non-GAAP)	2%	2%
