

Q1 2026 Financial Results

“Q1 was an outstanding start to the year, with strong sales and earnings. Our record first-quarter backlog was driven by robust, broad-based demand. As a result, we’re raising both our revenue and earnings guidance for the full year 2026.”

Greg Brown, Chairman and CEO

Q1 2026

Q1 Overview

2026 Guidance

- Raised full-year revenue and earnings guidance: The company now expects revenue of approximately \$12.8 billion, up from its prior guidance of \$12.7 billion, and non-GAAP EPS between \$16.87 and \$16.99 per share, up from its prior guidance of between \$16.70 and \$16.85 per share.

Our Public Safety Summit

Our 2026 Summit, attended by a record 1,600+ customers, demonstrated our continued innovation in improving resiliency and efficiency for public safety agencies. This year’s conference showcased how AI is embedded across our solutions, moving beyond data collection to actionable intelligence that reduces cognitive load and maximizes an agency’s efficiency. Customers value our holistic approach to integrating AI in the command center, supporting critical workflows from call takers to dispatchers, responders, intelligence analysts and investigators.

Percent changes from year-ago quarter or prior year, as applicable.

¹ Non-GAAP financial information excludes the after-tax impact of approximately \$1.19 per diluted share related to highlighted items, including share-based compensation expense and intangible assets amortization expense. Reconciliations of the non-GAAP measures to the most comparable GAAP measures are provided, along with a disclosure on the usefulness of the non-GAAP measures, in our earnings release available on our website at motorolasolutions.com/investors.

We have not quantitatively reconciled our guidance for forward-looking non-GAAP measures to their most comparable GAAP measures because we do not provide specific guidance for the various reconciling items as certain items that impact these measures have not occurred, are out of our control, or cannot be reasonably predicted. Accordingly, a reconciliation to the most comparable GAAP financial measure is not available without unreasonable effort. Please note that the unavailable reconciling items could significantly impact our results.
